

OGC HAS REVIEWED.

Mr. Arthur B. Focke
General Counsel
Bureau of the Budget
Washington 25, D. C.

Dear Mr. Focke:

Reference is made to telephone conversations between Messrs. Bradley and Parker of the Bureau and [] of this office concerning this Agency's proposed exemptions from the Government Employees Training Act. I am advised that the Department of Justice has raised an objection to our proposed exemption from section 19(d) of the Training Act. On the basis of this objection, this Agency accepts the deletion of section 19(d) from our draft Executive Order.

It is my understanding that upon the clarification of this point we may now expect action on our proposed Order in the very near future.

Sincerely,

s/ John S. Warner
